# Perennial Plants for Cut Flowers

We are listing on these pages some 50 varieties of florists' cut flower perennials, every one of which is beyond the trial stage. These have all proved of real worth for florists' cut flowers, and are the same perennials that are bought by florists after trying out many varieties. This seems to be the assortment that the florists have settled on as being really worth while and profitable to their business.

Note: We do not supply less than 10 of a variety.

Floral Piece Made at the F. T. D. School, Composed of Hardy Flowers, Roses, Etc.

# Special Offering of Hardy Perennials

—at prices to suit “the pocketbook of today.” Quality guaranteed.

Plant now and harvest during the coming summer and fall season a bountiful crop of cut flowers that will, we believe, prove real PROFIT-PROVIDERS. ACT NOW.

## HARDY PERENNIAL PLANTS are a permanent investment

If you do not find in this listing the desired perennial plants, please write us about your needs. We represent a grower having over 100 acres of the choicest perennials and in large assortment.

**BRISTOL FAIRY.** A Double Gypsophila of greater vigor, producing larger panicles of flowers, and having the advantage of blooming more or less continuously all summer, new branches of bloom appearing after the first flush of flowers has passed, if these are cut. We offer strong established 3-inch pot plants. Grafted.

Per 25, \$5.00, Per 100, \$17.50

Note: We can also supply strong, field-grown plants of above; price, per 25 plants, \$6.50; per 100, \$25.00. We believe, however, that the 3-in. grafted pot plant will give the best results.

### SYMPATHY BASKET (at left)

In addition to Delphiniums, Centaurea Macrocephala and Statice are responsible for the beauty of this basket. Asparagus Sprengeri is used for the trimmings.
